Re: Street cleaning, maintenance, and striping

Dear Homeowners:

The condominium association plans to perform routine road maintenance the first week of December 2023. The work will begin on December 4th and end December 8th, provided the weather is favorable. The work will be done in phases over the 5 days.

Since our CCR's prohibit parking on the street, we feel the impact to the homeowners should be minimal. However, if you have vendors or visitors coming to your home, they could be impacted. Please remind them to park in your driveway or in the visitor's parking areas.

If you have any questions regarding this matter, please do not hesitate to contact the Community Manager or a member of the Board of Directors for the Association.

Thank you,

Manager
